### **In Memoriam**

Miss Jean Woolson of the Class of 1935 whose unfortunate and untimely death was deeply lamented by her many friends among the faculty and students of Denison University.  
To her we hereby dedicate this book.

## PREFACE

We hereby submit to the faculty and students of Denison University our sincerest apologies for the delay in the appearance of this book. Although this delay was indeed unfortunate, yet at the same time not entirely avoidable, we hope that it may still be received as a representative piece of work of the class of 1933.

These are he: Constant kindly interest; gentility of soul; courageous optimism.

Although "Woogs", mascot dog, was defeated in the May Queen election, Betas did succeed in electing their second Student Government president in three years. On off nights the men of Wooglin studied enough to gain second in the scholastic standings at the same time maintaining their first in social standing.

In addition to the Thetas, Phi Gamma Delta entertained during the year one honest-to-goodness masked robber. A Centennial highlight was the victory of the Phi Gam float in the historical parade. Answering the phone at the Fiji lodge were a pair of flashy footballers, a Denisonian editor, and several departmental leaders.

After a somewhat successful barn storming trip during the Christmas holidays, the Big Red, under the keen eye of Coach Walter Livingston, opened their court season with a decisive 40 to 18 win over Miami on the latter's court. The following game saw Wittenberg march off with a 37 to 30 verdict in a closely played game at home. It was "Stork" Robbins, Denison's six foot five center who registered 11 points to cop the scoring honors for Denison. A trip to Cleveland proved disastrous as they were whipped by a strong Western Reserve team 53 to 29.

A pair of wins, one over Wabash and Cincinnati put the locals back into the win column, but Wittenberg again scored a victory this time by a score 35 to 22. Wesleyan won an overtime game at Delaware 33 to 31, but a double loss to Wabash and DePauw sunk the Big Red further down in the loss column. They came back with a win over Miami again 36 to 33, but Oberlin and DePauw tripped them again 38 to 28 and 21 to 19. The latter game was close throughout with Howard Walker dropping in the tying basket near the end of the game, but to no avail.

Wesleyan wound up the Big Red's season on the Wigwam floor, with a 58 to 34 win over Denison. The first part of the game was close, but during the second half the losers cracked and, headed by Hendricks, Duncan and Ginaven, the visitors went on a scoring spree to assure them of a victory.

Such men as Walker, Captain Scott, the All-Buckeye Honorary Captain, Rupe, and Davies aided greatly in bringing victories to Coach Livingston.

Although Denison's baseball record for the 1931 season does not look so good, Coach Sidney Jenkins had a squad of loyal men who gave their best for him. The records show that the Big Red nine won but a single game during the season. This they won from Ohio U. on the home lot by a score of 8 to 4. Ed Spear won the decision for D. U.

The Oberlin game was another close affair, the visitors winning out in the ninth inning by a score of 5 to 3 after the score had been tied at 3 all up to that time. The remainder of the games were won by the opposing teams.

Coach Jenkins' ball tossers took to the road during the week-end of May 8th and 9th meeting Miami and Cincinnati where they lost a brace of games to the hosts. The following week saw them in Oberlin where they also dropped another encounter, as they did at Athens against Ohio U. Wabash, touring into Ohio, trounced the locals by a lopsided score, while Miami brought Denison's baseball season to a close with a victory over the Red and White on Deeds Field.

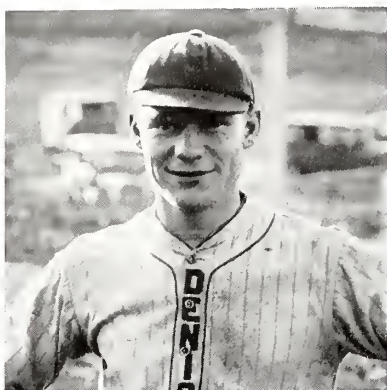

Amongst the squad one finds Glenn Wright, center fielder, who ran away with the batting honors.

*Spear, Pitcher*

In right field was Howard Walker and Ray Scott in left; whereas the infield consisted of Chapman at first, Trask at second, Saurer at third, and Otto Walker at short.

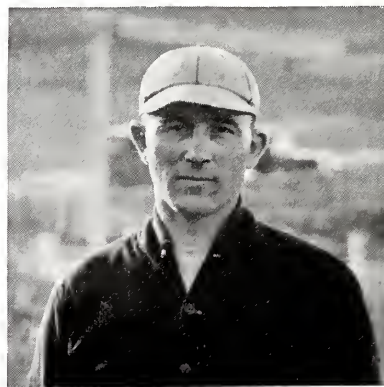

The pitching staff was composed of all right handers; Couchey, Spear and Stoneking, with Adams and Rupe sharing in the receiving.

Denison's baseball hopes went fluttering last year as the sport was abolished due to the lack of finances and enthusiasm in the sport.

Under the direction of Walter Livingston, head track coach, the Big Red opened their 1931 campaign by dropping a dual meet to Cincinnati on the latter's track by a score of 79 to 52.

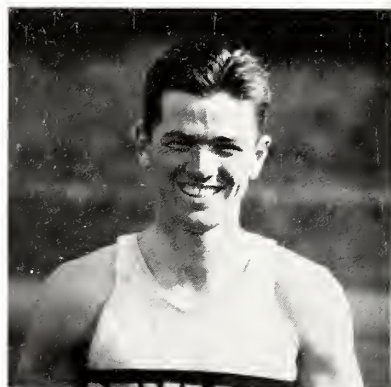

"Pete" Weidemaier was the star of the day, taking three firsts, while Sweetland and Greenlee won the low and high hurdles respectively.

Denison, however, was weak in the field events, failing to come through in the discus and javelin throws. In the long distance runs DePuy and Humphrey placed second in the mile, two mile and half mile events.

*Etaugh.*

*Hutson*

The following week saw Denison shine in the Ohio Relays held at Columbus. This time "De" Hutson was the Big Red luminary by beating McCormick of Notre Dame in the century. "Pete" Weidemaier was second to his team mate in the college 100 yard dash on the previous day, while he surprised the fans by beating Tolan in the second heat on the final day. Hutson's time was 9.7 and Weidemaier's was 10 flat.

In a dual meet with Ohio University Denison lost a 71 to 60 decision to the Athens boys. Denison was in the lead 59 to 58 at the start of the final event, but lost out again in the field events.

Ohio Wesleyan was the next team of cinder artists to engage the local boys and they, too, walked off with a win. The score was 79 to 52.

Weidemaier ran away with the Denison scoring honors, registering 11 points, just 4 points behind Mears, of Wesleyan who was high scorer of the meet.

The meet was marked by the breaking of the pole vault record by Schneider of Denison who vaulted 11 ft. 11 in., breaking the former Denison record by 2 inches.

To wind up the season Denison took fourth in the Buckeye meet with Miami again winning by a good majority of points.

## THE WEARERS OF THE "D"

*First Row: Hanson, Collins, Bingham, Light, Hart, Cowman, Jackson.  
Second Row: Brown, Cogbill, Sweet, Mabae, Pease.  
Third Row: Jones, Eddy, Boyer.*

The Women's Athletic Association also gives the coveted "D" for the girls who are able to earn a certain number of points along athletic fields. These points are given for hiking, camping, hockey, swimming, basketball, baseball and track.

Class teams are organized whereby girls are able to earn their points for a "D."

This organization has become a strong factor in placing women's sports on a par with the men. A girl may be chosen by the organization and enters all lines of sports in an endeavor to win a certain number of points necessary to be initiated into the Women's Athletic Association.

The association is a preparatory step for the women in obtaining their "D's".

Aside from being an athletic group it has risen to become quite a social organization also, holding dances, dinners and other types of social activities.

# H O C K E Y

In the fall one finds the girls battling for supremacy in their hockey league. Hockey is the leading fall sport among the girls.

Even on scrap day hockey teams are chosen amongst the freshmen and sophomores to decide the winner on this eventful day.

Once each season the Shepherdson hockey team meets the alumnae team. This season the grads defeated the coeds by a score of 3 to 1. Wilma Jones '31 proved to the losers that the old timers still knew all about hockey.

A freshman and sophomore team represented Denison in a collegiate woman's athletic contest held in Columbus on December 6th. The home talent came out victorious over their rivals from Ohio University, Ohio State and tied the Wesleyan girls' team at 5 all.

## WOMEN IN SCRAP DAY

Contrary to the beliefs that scrap day is held for the men only, the women also play a big part in making scrap day a success. The above picture verifies this statement.

The girls hold some exciting contests among themselves. Much to the enjoyment of the men they do an excellent job of hair pulling, shin kicking, and clothes ripping which goes to make up a portion of an exciting scrap day.

Each of the under classes hire a hay wagon and interesting fights are had by the members of one class attacking those of the other class, while the drivers frantically try to hold "Old Dobbin" from running away with the fair lassies. These tiffs usually hold forth while the co-eds are witnessing the men's cage ball game to determine which class is superior in this line competition.

### SWIMMING

Aside from basket tossing, the girls go for swimming in a big way at Denison. Again class teams are chosen and meets are held between the four classes to establish a winner. This time the sophomores were the victors. Those mermaids were Eunice Adams, Beth Brower, Jane Coons, Elizabeth Davies, Eileen Roberts, Theodora Jones, and Frances Willard.

### TRACK

The cinder oval calls quite a number of the feminine athletes. Of course, the distances are cut down considerably as compared to the distances run by the men. The 50 and 75 yard dashes and hurdles, the baseball throw and broad jump are some of the events taken up by the women tracksters.

### BASEBALL

When the sun breaks through the wintry skies one finds the co-eds taking to the track and baseball diamond as well as the tennis court.

Here, again, we have class teams running off their schedules with a winning class emerging from the melee.

Many of the women take up baseball as a spring sport.

### BASKETBALL

The winter months find the women engaged in that season's biggest drawing card—basketball. Different class teams are chosen and captains elected. A schedule is drawn up and they set out to decide the winner.

Last winter the juniors were the court artists among the women of Shepherdson College. Amongst the celebrities of the court are Frances Bingham, Bertha Brown, Kay Braunschweiger, Muriel Coghill, Dorothy Collins, Patricia Ireland, Gwendolyn Light, Frances Pease, Mary Sweet, Ruth Potter, Marg Hutchinson, Edna Wedell and Ruth Armitage.

### ARCHERY

One of the most recent sports which has won a distinct favor amongst the women at Denison is archery. In the fall, as well as in the spring, the girls line the lower campus with their bows and arrows aiming away at the big straw targets.

Class teams also are chosen for this sport and the competition is extremely keen among the classes. The sophomores took the honors last fall in archery with Eleanor Sturgeon leading in highest number of points registered for her team. The score was 825 to 597 for the junior archery team. Isabelle Yaggi ran a close second for highest number of points attained.
